LETTER TO SHAREHOLDERS

2. THE PROPOSED ADOPTION OF THE NEW CONSTITUTION

2.1 Background

2.1.1 Companies (Amendment) Act 2014 and Companies (Amendment) Act 2017.

The 2014 Amendment Act and the 2017 Amendment Act were enacted in Parliament on 8 October 2014 and 10 March 2017 respectively and introduced wide-ranging changes to the Companies Act with the aim of reducing the regulatory burden on companies, providing greater business flexibility and improving the corporate governance landscape in Singapore. The key changes under the 2014 Amendment Act include the introduction of the multiple proxies regime to allow indirect investors and CPF investors to attend and vote at shareholders' meetings as proxies, provisions to facilitate the electronic transmission of notices and documents, and the merging of the memorandum and articles of association of a company into a single document called the "constitution". The 2017 Amendment Act introduced further changes to the Act, including the removal of the requirement for a company to have a common seal.

2.2 New Constitution

The Company is accordingly proposing to adopt the New Constitution, which will replace the Existing Constitution and will incorporate, amongst others:

- (a) the changes to the Act introduced pursuant to the Amendment Acts;
- (b) provisions which are consistent with the Listing Manual prevailing as at the Latest Practicable Date, in compliance with Rule 730 of the Listing Manual; and
- (c) amended provisions to address other regulatory changes such as the personal data protection regime in Singapore under the Personal Data Protection Act 2012 in respect of the collection, use and disclosure of personal data, and the enactment of the Mental Health (Care and Treatment) Act, Chapter 178A of Singapore.

The Company is also taking this opportunity to streamline and rationalise certain other provisions in the New Constitution. The proposed New Constitution of the Company is set out in **Appendix B** to this Circular. The proposed adoption of the New Constitution of the Company is subject to Shareholders' approval via a special resolution and if so approved, shall take effect from the date of the EGM.

Amendments to the Catalist Rules which included, *inter alia*, allowing the electronic transmission of notices and documents if express, deemed or implied consent of Shareholders are obtained, has also aligned the Catalist Rules to a new Section 387C of the Act pursuant to the 2014 Amendment Act.

2.2 Summary of Principal Provisions

A summary of the key differences between the New Constitution and the Existing Constitution are set out below, and should be read in conjunction with the proposed New Constitution which is set out in its entirety in **Appendix B** to this Circular, as well as **Appendix A**, which sets out the comparison of the key differences between the Existing Constitution and the New Constitution.

Shareholders are advised to read the New Constitution in its entirety before deciding on the special resolution relating to the Proposed Adoption of the New Constitution.

LETTER TO SHAREHOLDERS

2.3 Companies Act

The following Regulations include provisions which are in line with the Act, as amended pursuant to the Amendment Acts. In line with the wording of Section 35 of the Act, all references to “Article” or “Articles” within the New Constitution have been amended to “Regulation” or “Regulations”. In line with the abolition of the concept of the memorandum and articles of association of a company in favour of a single document known as the constitution under Section 3 of the 2014 Amendment Act, references to “Memorandum of Association” has been replaced with “Constitution”

2.3.1 Regulation 1 of New Constitution (*Article 1 of Existing Constitution*). Article 1 of the Existing Constitution, which provided that the “The regulations contained in Table ‘A’ in the Fourth Schedule to the Companies Act, Chapter 50 of Singapore shall not apply to the Company, but the following shall, subject to repeal, addition and alteration as provided by the Act or these Articles, be the regulations of the Company” has been amended to state that the regulations in the Companies (Model Constitutions) Regulations 2015 (Cap. 50, S833/2015) shall not apply to the Company, except so far as the same are repeated or contained in these Regulations. This is in line with the repealing of Table A following the 2014 Amendment Act.

2.3.2 Regulation 2 of New Constitution (*Article 2 of Existing Constitution*). Regulation 2 is the interpretation section of the New Constitution and includes the following additional/revised provisions:

- (i) a new definition of “Applicable Laws” that includes the Act and the SFA, and a separate new definition of “Listing Manual” to make reference to the listing manual of the SGX-ST. Regulations within the New Constitution that provide for various rights that Directors and Members may be granted have been described as being subject to Applicable Laws (and the Listing Manual, where applicable), and Regulations that place obligations on the Company, Directors and Members have been described as being as required by Applicable Laws (and the Listing Manual, where applicable). This provides for flexibility in the New Constitution to allow the Company to refrain from certain actions, or take certain actions allowed by changes in Applicable Laws and the Listing Manual without having to make amendments to the New Constitution;
- (ii) a new definition of “Chairman” for clarification with the Regulations related thereto;
- (iii) a new definition of “Chief Executive Officer” as having the meaning ascribed to “chief executive officer” in the Act. This is in line with the provisions in the 2014 Amendment Act relating to Chief Executive Officers (e.g. disclosure requirements in Section 156 of the Act);
- (iv) a new definition of “Constitution” to mean the constitution of the Company as originally framed or as altered from time to time by special resolution. This is in line with the terminology used in the New Constitution with the Act;
- (v) a new definition of “Depository” and “CDP” to clarify that the Central Depository (Pte) Limited is for the time being the Depository for the purposes of Part IIIIAA of the SFA;
- (vi) a revised definition of “Depositor”, “Depository Agent” and “Depository Register” pursuant to the SFA, and consequential amendments to clarify references to “Direct Account Holder”, “holding”, “held”, “holder” and “holder(s)” of shares or a class of shares, as well as to the terms “registered holders” or “registered holder”. This follows the migration of the provisions in the Act which relate to the Central Depository System as prescribed in the SFA;
- (vii) a revised definition of “Exchange” to include the Singapore Exchange Securities Trading Limited and its successors and assigns;

LETTER TO SHAREHOLDERS

- (viii) a new definition of “Listing Manual” as having the meaning of the listing manual (e.g. Catalist Rules) of SGX-ST as modified or supplemented from time to time;
- (ix) amendments to the definition of “Member (and any references to a holder of any shares or shareholder)” to incorporate changes made to the cut-off time for the deposit of proxies and the cut-off time for invalidating a proxy’s vote in line with the 2014 Amendment Act, and to provide for the concept of treasury shares pursuant to the Companies (Amendment) Act 2005;
- (x) a new definition of “Registrar” as having the meaning ascribed to “Registrar” in the Act;
- (xi) a new definition of “Registered address” or “address” to clarify the reference to a Member’s physical address for the service of delivery of notices or documents personally or by post except where otherwise expressly provided;
- (xii) a revised definition of documents “in writing” to make it clear that these include any representation or reproduction of words, symbols, or other information which may be displayed in a visible form, whether physical or electronic. This would facilitate, for example, a proxy instrument being in either physical or electronic form;
- (xiii) new provision to clarify that references in the Regulations to “holder” or “holders” of any class of shares shall exclude the Depository or its nominee unless otherwise expressed in the New Constitution, shall be deemed to include references to Depositors whose names are entered in the Depository Register in respect of those shares, and except as otherwise expressly provided in the Constitution, exclude the Company in relation to shares held by it as treasury shares;
- (xiv) new provision stating that a Special Resolution shall be effective for any purpose for which an Ordinary Resolution is expressed to be required under the New Constitution;
- (xv) new provision stating that the expressions “current address” and “electronic communication”, “relevant intermediary” and “treasury shares” shall have the meaning ascribed to them in the Act. This follows the introduction of new provisions facilitating electronic communications and the multiple proxies regime pursuant to the 2014 Amendment Act; and
- (xvi) new provision stating that the terms “Annual General Meeting”, “Extraordinary General Meeting”, “General Meeting”, “Ordinary Resolution” and “Special Resolution” shall have the meanings ascribed to them respectively in the Act.

2.3.3 **Regulation 4 of New Constitution (Article 4 of Existing Constitution).** Regulation 4 provides, *inter alia*, that subject to the New Constitution and Applicable Laws, the Company has full capacity and has full powers to carry on or undertake any business or activity, do any act or enter into any transaction. This provision is in line with Section 23 of the Act, which provides that a company has full capacity to carry on or undertake any business or activity, do any act or enter into any transactions, subject to the law and to the provisions of its constitution.

2.3.4 **Regulation 5 of New Constitution (Article 5 of Existing Constitution).** Regulation 5, which states that the name of the Company and that the liability of the Shareholders is limited, respectively, have been inserted into the New Constitution. This is in accordance with Section 22(1)(b) of the Companies Act which provides that the constitution of every company has to state, *inter alia*, the name of the company and that the liability of the Members is limited where the company is a company limited by shares.

LETTER TO SHAREHOLDERS

2.3.5 **Regulations 8, 63, 127, 148, 149, 150, 153(2), 153(3), 154, 154A of New Constitution (Articles 8, 63, 127, 148, 149, 150 and 154 of Existing Constitution and New Regulations).** Regulation 149, which relates to the sending of the Company's financial statements and related documents to Members, has been amended to provide that such documents may, subject to Applicable Laws and the Listing Manual, be sent less than 14 days before the date of the General Meeting with the agreement of all persons entitled to receive notices of General Meetings. This is in line with the new Section 203(2) of the Act, which provides that the requisite financial statements and other related documents may be sent less than 14 days before the date of the General Meeting at which they are to be laid if all the persons entitled to receive notice of General Meetings of the Company so agree. Notwithstanding this provision, the Company is currently required to comply with Rule 707(2) of the Catalist Rules, which provides that an issuer must issue its annual report to shareholders and the SGX-ST at least 14 days before the date of its Annual General Meeting.

Regulations 149 and 153(3) also provides that financial statements laid before a company at its General Meeting must be accompanied by a statement signed on behalf of the Board by two Directors of the Company containing the information set out in the Twelfth Schedule of the Act, and further clarifies that the Auditor's report shall be attached to such financial statements. This is in line with Section 201(16) of the Act.

The references to "profit and loss accounts" and "balance sheets" have been updated/ substituted or inserted in Regulations 8, 63, 127, 148, 149, 150, 154 and 154A with references to "financial statements" or "records" for consistency with the updated terminologies in the Act.

2.3.6 **Regulation 12 of New Constitution (Article 12 of Existing Constitution).** Regulation 12, which, *inter alia*, sets out the Company's power to pay commissions or brokerage on any issue of shares, has been amended to further provide that the Company may use its share capital or otherwise to pay any expenses (including commissions or brokerage) incurred directly in the issue of its shares at such rate or amount and in such manner as the Directors may deem fit, and that (subject to Applicable Laws and the Listing Manual) such payment will not be taken as a reduction of the Company's share capital. This is in line with Section 67 of the Act, as amended pursuant to the 2014 Amendment Act.

2.3.7 **Regulation 18 of New Constitution (Articles 18 of Existing Constitution).** Regulation 18 has been amended to include that share certificates shall specify the number and class of shares to which it relates or such information as required under Applicable Laws and the Listing Manual. This allows a share certificate to only state, *inter alia*, the number and class of the shares, whether the shares are fully or partly paid up, and the amount (if any) unpaid on the shares, with no need to disclose the amount paid on the shares in the share certificate. This follows the amendments to Section 123(2) of the Act pursuant to the 2014 Amendment Act. Regulation 18 has also been amended such that the facsimile signatures may be reproduced by mechanical, electronic or other method approved by the Directors.

The requirement for a share certificate to be issued under Seal has also been amended to provide that the Company can issue a share certificate under Seal or by signatures of authorised persons in the manner set out under the Act as an alternative to sealing. This is in line with Sections 41A, 41B and 41C pursuant to the 2017 Amendment Act's dispensation of the requirement for use of a common seal.

2.3.8 **Regulations 24 of New Constitution (Article 24 of Existing Constitution).** Regulation 24, which provides that the Directors may decline to register any transfer of shares on which the Company has a lien, has been amended to provide for the time period (to be 30 days as opposed to 10 Market Days after the day on which the transfer of shares was lodged with the Company, or such period as permitted and/or required under Applicable Laws and the Listing Manual) that the Company has to serve a notice in writing to the applicant stating the facts which are considered to justify the refusal. This is also in line with the wording of Section 130AB of the Act, which states that if a public company refuses to register a transfer of any share, debenture or other interest in the company it shall, within 30 days after the date on which the transfer was lodged with it, send to the transferor and to the transferee notice of the refusal. Notwithstanding, for as long as the Company is listed on the SGX-ST, the Company will comply with Rule 733 of the Catalist Rules and other Applicable Laws.

LETTER TO SHAREHOLDERS

- 2.3.9 **Regulation 53(1) of New Constitution (*Article 53(1) of Existing Constitution*)**. Regulation 53(1), which relates to the Company's power to alter its share capital, has a new provision, Regulation 53(1) (iv), which empowers the Company, subject to and in accordance with Applicable Laws and the Listing Manual, to by ordinary resolution or otherwise as permitted under Applicable Laws and the Listing Manual, to convert its share capital or any class of shares from one currency to another currency. This is in line with the new Sections 73, 73A and 73B of the Act, which sets out the procedure and requirements for such re-denominations.
- 2.3.10 **Regulation 53(3) of New Constitution (*New Regulation*)**. Regulation 53(3), which empowers the Company, by special resolution, to convert one class of shares into another class of shares, has also been newly inserted. This is in line with the new Section 74A of the Act, which sets out the procedure for such conversions.
- 2.3.11 **Regulation 63 of New Constitution (*Article 63 of Existing Constitution*)**. Regulation 63, which relates to the routine business that is transacted at an Annual General Meeting, has been amended to make references to "financial statements" rather than "balance-sheet", and references to "directors' statement" rather than "directors' report", for consistency with the updated terminology in the Act. This is in line with Section 209A of the Act.
- 2.3.12 **Regulations 69 and 73 of New Constitution (*Articles 69 and 73 of Existing Constitution*)**. Regulation 69, which relates to the method of voting at General Meetings, has been amended to make it clear that if required by the listing rules of the SGX-ST, all resolutions at General Meetings shall be voted by poll (unless such requirement is waived by the SGX-ST). This is in line with Rule 730A(2) of the Catalist Rules, which provides that all resolutions at General Meetings shall be voted by poll. This regulation has also been revised to specify that the threshold for eligibility to demand a poll is not less than 5% of the total voting rights of the Members having the right to vote at the meeting. This is in line with Section 178(1)(b) of the Act, as amended pursuant to the 2014 Amendment Act. Regulation 73 clarifies that a poll demanded on the election of a chairman or on a question of adjournment must be taken immediately.
- 2.3.13 **Regulations 75(2), 75(3), 81 and 84 of New Constitution (*Articles 75(2), 75(3), 81 and 84 of Existing Constitution*)**. Regulations 75 and 81, which relate to the voting rights of Members and the appointment of proxies, have new provisions which cater to the multiple proxies regime introduced by the 2014 Amendment Act. The multiple proxies regime allows "relevant intermediaries" such as banks, capital markets services license holders which provide custodial services for securities and the CPF Board, to appoint more than two proxies to attend, speak and vote at General Meetings. In particular:
- (i) Regulation 75(2)(ii)(b) has been amended to provide that in the case of a Shareholder who is a relevant intermediary and who is represented at a General Meeting by two or more proxies, each proxy shall be entitled to vote on a show of hands. This is in line with the new Section 181(1D) of the Act;
 - (ii) Regulation 75(3) further provides that for the purposes of determining the number of votes which a Member, being a Depositor or his/her proxy, can cast at any General Meeting on a poll is the number of shares entered against his/her name in the Depository Register as at 72 hours before the time of the relevant General Meeting. This is in line with new Section 81SJ(4) of the SFA, which provides that notwithstanding any provision in the Act, only a Depositor whose name appears on the Depository Register 72 hours before a General Meeting of a company shall be regarded as a Member of the company entitled to attend, speak and vote hereat. The cut-off time for the deposit of proxies has been extended from 48 to 72 hours before the time appointed for holding the General Meeting in Regulation 84. This is in line with Section 178(1) (c) of the Act, as amended pursuant to the 2014 Amendment Act. Shareholders should note that the "cut-off time" as indicated in Regulation 81(2)(i) has similarly been extended from 48 hours to 72 hours; and

LETTER TO SHAREHOLDERS

- (iii) Regulation 81(1)(ii) provides that save as otherwise provided in the Act, a Shareholder who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Shareholder, and where such Shareholder's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed must be specified in the form of proxy. This is in line with the new Section 181(1C) of the Act.

2.3.14 **Regulation 77 of New Constitution (*Article 77 of the Existing Constitution*)**. Regulation 77, which relates to voting rights of Members with mental disorders, provides that the cut-off time for the deposit of evidence of the appointment of persons authorised to exercise powers with respect to the property or affairs of such Members is now 72 hours, instead of 48 hours, before the time appointed for holding the General Meeting.

2.3.15 **Regulation 91 of New Constitution (*Article 91 of Existing Constitution*)**. Regulation 91, which relates to the share qualifications of Directors and which sets out that a Director need not be a Member and shall be entitled to attend and speak at General Meetings, has been amended such that a Director may be more than 70 years of age at the date of his/her appointment. This amendment follows the repeal of Section 153 of the Act and the removal of the age limit of 70 years old for Directors of public companies and subsidiaries of public companies, in recognition of the fact that when considering if a director is contributing or performing well and whether there should be board renewal, other factors besides the age of such director should be taken into account.

2.3.16 **Regulation 96 of New Constitution (*Article 96 of Existing Constitution*)**. Regulation 96, which relates to the disclosure requirements imposed on Directors, has been amended to allow the Chief Executive Officer (or persons(s) holding an equivalent position) (in addition to the Directors) to contract with the Company provided that the Chief Executive Officer (or persons(s) holding an equivalent position) makes disclosure in accordance with the requirements of Section 156 of the Act, which, in the Act requires a written notice to the Company containing details on the nature, character and extent of his/her interest in the transaction or proposed transaction. This is in line with the new Section 156 of the Act, as amended pursuant to the 2014 Amendment Act.

2.3.17 **Regulation 102 and 106 of New Constitution (*Articles 102 and 106 of Existing Constitution*)**. Regulation 102, which sets out the grounds on which the office of Director shall be vacant, has been revised to remove the event of the Director attaining the age of 70 years. Regulation 106, which relates to re-appointment of directors, has been revised to remove the event of a director attaining any applicable retiring age as an exception to a deemed re-election to office. This amendment follows the repeal of Section 153 of the Act and the removal of the age limit of 70 years old for Directors of public companies and subsidiaries of public companies.

A ground that such Director is disqualified from acting as a Director in any jurisdiction for reasons other than on technical grounds has been inserted in Regulation 102. This amendment is in line with section 9(m) of Appendix 4C of the Catalist Rules which provides that a director who is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds must immediately resign from the board.

This is in line with Sections 149B and 150 of the Act.

- 2.3.25 **Regulations 154, 154A(1), 154A(2), 154A(3), 154A(4), 154A(5), 154A(6), 154A(7) and 159(2) and 159(3) of New Constitution (*Articles 154 and 159 of Existing Constitution and New Regulations*)**. Regulation 154, which relates to the service of notices to Members, has been amended to facilitate the electronic transmission of notices and documents through the new insertions of Regulations 154A(1), 154A(2), 154A(3), 154A(4), 154A(5), 154A(6) and 154A(7). This follows the introduction of simplified procedures for the sending of notices and documents electronically pursuant to the new Section 387C of the Act. Companies can, subject to certain statutory safeguards, make use of these simplified procedures where a shareholder has given express, implied or deemed consent for the company to do so in accordance with its constitution. The Company regards express consent as being given where a Shareholder gives notice in writing to the Company that he consents to having notices and documents transmitted to him via electronic communications.

LETTER TO SHAREHOLDERS

Section 387C(2) of the Act provides that a Shareholder has given implied consent ("**Implied Consent**") where the constitution of a company:

- (i) provides for the use of electronic communications;
- (ii) specifies the manner in which electronic communications is to be used; and
- (iii) provides that the Member shall agree to receive such notice or document by way of such electronic communications and shall not have a right to elect to receive a physical copy of such notice or document.

Section 387C(3) of the Act further explains that a Shareholder has given deemed consent ("**Deemed Consent**") where:–

- (i) the constitution of the company provides for the use of electronic communications;
- (ii) the constitution of the company specifies the manner in which electronic communications is to be used;
- (iii) the constitution of the company specifies that the Member will be given an opportunity to elect within a specified period of time ("**the specified time**"), whether to receive such notice or document by way of electronic communications or as a physical copy; and
- (iv) the Member was given an opportunity to elect whether to receive such notice or document by way of such electronic communications or as a physical copy, and he failed to make an election within the specified time.

Regulation 154A(1) provides that notices and documents may be sent to Members using electronic communications either to a Shareholder's current address (which may be an email address) or by making it available on a website where such Shareholder expressly consents to receiving notices and documents in this manner.

Regulation 154A(2) provides that, the Company may send such notice or document by way of such electronic communications to a Member, if there is express consent from that Member.

Regulation 154A(3) provides that, in relation to Implied Consent, a Shareholder who has not given express consent may nonetheless be implied to have agreed to receive such notice or document by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under Applicable Laws or the Listing Manual.

Regulations 154A(4) and 154A(5) provide that, in relation to Deemed Consent, the Directors may decide to give Members an opportunity to elect to opt out of receiving such notice or document by way of electronic communications, and a Shareholder is deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity but failed to opt out within the specified time, unless otherwise provided under Applicable Laws or the Listing Manual.

Regulation 154A(6) clarifies that the electronic transmission of notices and documents to Members shall not apply to such notices or documents which are excluded from being given, sent or served by electronic communications or means pursuant to the Applicable Laws and any regulations made thereunder relating to electronic communications and the Listing Manual or the rules governing the Exchange for the time being in force.

Regulation 154A(7) provides that where a notice or document is sent by electronic communications, the Company shall inform the Member as soon as practicable of the mode by which the Member may request a physical copy of that notice or document from the Company. The Company shall provide a physical copy of that notice or document upon such request.

LETTER TO SHAREHOLDERS

Regulation 159(2) additionally provides for when service is effected in the case of notices or documents sent by electronic communications. In particular, where a notice or document is made available on a website, it is deemed served on the date on which the notice or document is first made available on the website, unless otherwise provided under Applicable Laws or the Listing Manual. The insertion of Regulation 159(2) will enable greater efficiency and cost savings in the transmission of documents from the Company to the Members. However, Members who may not be supportive of the new regime of electronic transmissions may choose not to vote in favour of the Proposed Adoption of the New Constitution.

Regulation 159(3) provides for certain safeguards for the use of Deemed Consent and Implied Consent regimes. Where a notice or document is made available on a website, the Company shall give separate notice to the Member of the publication of such notice or document on the website through one or more other means, including by way of advertisement in the daily press and/or by way of announcement on the SGX-ST. This is in line with regulation 89C of the Companies Regulations (Cap. 50, Rg 1) made pursuant to Section 411 of the Act. For the avoidance of doubt, Regulation 159(3) is subject to the Listing Manual and any additional safeguards or restrictions which may be prescribed under the Listing Manual from time to time.

These new Regulations are in line with the amendments to Chapter 12 of the Catalist Rules, which took effect on 31 March 2017; they permit the use of electronic communication to transmit annual reports and other documents to Members, and Members shall be allowed to choose whether to receive electronic or physical copies of Shareholders' documents, and a Member who fails to make an election would be deemed to consider to receive such documents in electronic copies.

Under the new Section 387C of the Act, regulations may be made to, among others, exclude any notice or document or any class of notices or documents from the application of Section 387C and provide for safeguards for the use of electronic communications under Section 387C. As at the Latest Practicable Date, the following notices and documents are excluded from the application of section 387C of the Act:

- (i) forms or acceptance letters that Members may be required to complete;
- (ii) notice of General Meetings, excluding circulars or letters referred in that notice;
- (iii) notices or documents relating to takeover offers and rights issues; and
- (iv) notices under Rules 1208 and 1209 of the Catalist Rules,

cannot be transmitted by electronic means and accordingly, will be sent to eligible Shareholders by post.

The Company's current practice is to send physical copies of its annual reports to each Shareholder. Should the Company send documents using electronic communications to Shareholders, the Company will notify Shareholders in writing pursuant to Rule 1206 of the Catalist Rules.

2.3.26 **Regulation 164 of New Constitution (*Article 164 of Existing Constitution*)**. Regulation 164, which relates to Directors' indemnification, permits the Company, subject to the provisions of and so far as may be permitted by the Act, to indemnify a Director against losses "to be incurred" by him in the execution of his/her duties. Regulation 164 has also been amended to clarify that the Company's indemnity to be provided under Regulation 164 can include indemnity for Directors against liability attaching to them in connection with any negligence, default, breach of duty or breach of trust incurred to a person other than the Company, except for certain specified liabilities as provided under the Act. This is in line with the new Sections 172, 172A and 172B of the Act.

LETTER TO SHAREHOLDERS

2.3.27 **Regulation 167 of New Constitution (*Article 167 of Existing Constitution*)**. Regulation 167, which is a new regulation, permits the Company to, to the maximum extent permitted by law, purchase and maintain for a Director, auditors, secretary or other officer of the Company insurance against costs, charges, losses, expenses and liabilities incurred by the person in the execution and discharge of his/her duties or in relation thereto including any liability by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company, unless the liability arises out of conduct involving any negligence, default, breach of duty or breach of trust in relation to the Company. This is in line with the new Sections 163A and 163B of the Act, which permit a company to lend, on specified terms, funds to a director for meeting expenditure incurred or to be incurred by him in defending court proceedings or regulatory investigations.

2.3.28 **Objects clauses**. The existing objects clauses contained in the Existing Constitution are proposed to be deleted and substituted with a general provision in the New Constitution to the effect that, subject to the provisions of the Act or any other written law and the New Constitution, the Company has:

- (i) full capacity to carry on or undertake any business or activity, do any act or enter into any transaction; and
- (ii) for these purposes, full rights, powers and privileges.

This is in line with Section 23 of the Act, which provides that a company has full capacity to carry on or undertake any business or activity, do any act or enter into any transactions, subject to the law and to the provisions of its constitution.

By deleting the existing objects clauses (which sets out an extensive list of the activities which the Company has capacity or power to engage in) and taking advantage of the flexibility afforded by Section 23 of the Act, the Company will have all the powers of a natural person, with full capacity and ability to carry on or undertake any business or activity, and to enter into any transaction. This will facilitate the Company in adapting to the rapidly changing business environment, and to undertake various business activities and enter into business transactions for the benefit of the Company and its Members. The proposed change will also remove any uncertainty as to whether the Company has the power to act in a particular way or to engage in a particular transaction arising from unduly restrictive provisions in the specific objects clauses.

2.4 **Catalist Rules**

Rule 730 of the Catalist Rules provides that if an issuer amends its articles or other constituent documents, they must be made consistent with all the listing rules prevailing at the time of amendment. The following Articles have been updated to ensure consistency with the Catalist Rules prevailing as at the Latest Practicable Date, in compliance with Rule 730 of the Catalist Rules:

2.4.1 **Regulation 7(2) of New Constitution (*Article 7(2) of Existing Constitution*)**. Regulation 7(2), which relates to the offer of new shares to Members, has been amended to clarify that the percentage of issued share capital shall be based on the issued share capital of the Company at the time of the passing of the ordinary resolution, after adjusting for, (a) new shares arising upon the conversion or exercise of any convertible securities, (b) new shares arising from exercising share options or vesting of share awards provided such options or awards were granted in compliance with the Listing Manual, and (c) any subsequent bonus issue, consolidation, or subdivision of shares, and that adjustments in accordance with (a) and (b) are only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of the resolution approving the mandate. This is in line with Rule 806(3) of the Catalist Rules.

LETTER TO SHAREHOLDERS

- 2.4.2 **Regulation 8(2) of New Constitution (*Article 8(2) of Existing Constitution*)**. Regulation 8(2) has been amended to clarify that the Company shall also have the power to issue further preference shares ranking equally with or in priority to any preference shares already issued, provided always that the total number of issued preference shares shall not at any time exceed the total number of issued ordinary shares. This is in line with sections 1(a) and 1(c) of Appendix 4C of the Catalist Rules.
- 2.4.3 **Regulation 11(1) of New Constitution (*New Regulation*)**. Regulation 11(1) has been inserted to clarify that the rights attaching to shares of a class other than ordinary shares shall be expressed in the Constitution. This is in line with section 1(b) of Appendix 4C of the Catalist Rules.
- 2.4.4 **Regulation 60A of New Constitution (*New Regulation*)**. Regulation 60A has been newly inserted to make it clear that if required by the listing rules of the SGX-ST, all General Meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company's incorporation, or unless such requirement is waived by the SGX-ST. The changes are in line with Rule 730A(1) of the and Practice Note 7E of the Catalist Rules.
- 2.4.5 **Regulation 61(1) of New Constitution (*Article 61(1) of Existing Constitution*)**. Regulation 61(1), which sets out the timelines by which the Company has to send out notices of General Meeting to Members, has been amended to:
- (i) state that where such notices contain special resolutions, they must be given to Members at least 21 clear days before the meeting (i.e. excluding the date of notice and the date of meeting); and
 - (ii) clarify the requirement that such notices for any other General Meeting must be sent at least 14 clear days before the General Meeting (i.e. excluding the date of notice and the date of meeting).

These clarifications are in line with section 7 of Appendix 4C and Rule 704(14) of the Catalist Rules, which, *inter alia*, sets out the above requirements.

- 2.4.6 **Regulations 69 and 70 of the New Constitution (*Articles 69 and 70 of Existing Constitution*)**. Regulation 69, which states that resolutions that are put to a vote at General Meetings shall be decided on a show of hands unless a poll is demanded, has been amended to provide that if required by the Listing Manual, all resolutions at General Meetings be voted by poll unless such requirement is waived by the SGX-ST. This amendment is in line with Rule 730A(2) of the Catalist Rules which requires all resolutions at General Meetings to be voted by poll.

Regulation 70 (which states that polls shall be taken at once or after an interval or adjournment or otherwise as the Chairman directs) has been amended to clarify that at least one scrutineer will be appointed for each General Meeting, if required by Applicable Laws or the Listing Manual, who shall be independent of the persons undertaking the polling process, and who shall exercise such duties as required under the Listing Manual. This is in line with Rule 730A(3) and Rule 730A(4) of the Catalist Rules.

- 2.4.7 **Regulation 78 of New Constitution (*Article 78 of Existing Constitution*)**. Regulation 78, which sets out the voting rights of Members, has been amended to clarify that no Member shall be entitled to vote at any General Meeting in respect of any share or shares, either personally or by proxy, attorney or representative, unless all calls or other sums presently payable by him in respect of shares held by him in the Company, whether in his/her own name or in a Securities Account, and whether alone or jointly with any other person, have been paid. This amendment is in line with section 8(a) of Appendix 4C of the Catalist Rules which imposes such a requirement.

LETTER TO SHAREHOLDERS

2.4.8 **Regulation 87A of New Constitution (*New Regulation*)**. Regulation 87A has also been newly inserted to clarify that:

- (i) a Shareholder who has deposited an instrument appointing any number of proxies to vote on his/her behalf at a General Meeting shall not be precluded from attending and voting in person at that General Meeting; and
- (ii) any such appointment of all the proxies concerned shall be deemed to be revoked upon the attendance of the Shareholder appointing the proxy/proxies at the relevant General Meeting.

These clarifications are in line with paragraph 3.3 of Practice Note 7E of the Catalist Rules which provides that if a shareholder submits a proxy form and subsequently attends the meeting in person and votes, the appointment of the proxy should be revoked, and that there must be sufficient systems or processes in place at the meeting to identify and cancel the appointment of the proxy at the point when the shareholder attends the meeting.

2.4.9 **Regulations 124 of New Constitution (*Article 124 of Existing Constitution*)**. Regulation 124, which sets out the Directors' borrowing powers, has been amended to further clarify the scope of the Director's borrowing powers, in line section 6 of Appendix 4C of the Catalist Rules which requires that the borrowing powers of the Directors be expressed.

2.5 Personal Data Protection Act 2012

In general, under the Personal Data Protection Act 2012 ("**PDPA**"), an organisation can only collect, use or disclose the personal data of an individual with the individual's consent, and for a reasonable purpose which the organisation has made known to the individual. Regulations 166(1) and 166(2) set out, *inter alia*, the purposes for which the Company and/or its agents and service providers can collect, use and disclose personal data of Members and their appointed proxies or representatives in the New Constitution. These Regulations allow the Company to fulfil the requirements of the PDPA and allow it to use the personal data of the Members for the purposes stated in the Regulations, as required in the Company's operations. Given the Company's changing Members due to its listed status, the ability to automatically bind the Members to these uses of their personal data through the New Constitution is highly beneficial for the Company, and the inclusion of these provisions in the New Constitution would also enable Members to be informed and aware of the purposes for which their personal data may be used.

2.6 General amendments to the Existing Constitution

The following Regulations have been updated, streamlined and rationalised generally:

2.6.1 **Regulation 9 of New Constitution (*Article 9 of Existing Constitution*)**. Regulation 9, which relates to treasury shares, has been amended to clarify that the Company may also hold repurchased shares as treasury shares subject to Applicable Laws and the Listing Manual.

2.6.3 **Regulations 23, 29, 47, 77 and 102 of New Constitution (*Articles 23, 29, 47, 77 and 102 of Existing Constitution*)**. These Regulations have been amended to substitute or inserted to clarify the references to persons of unsound mind with references to persons who are "mentally disordered", following the enactment of the Mental Health (Care and Treatment) Act, Chapter 178A of Singapore which repealed and replaced the Mental Disorders and Treatment Act.

LETTER TO SHAREHOLDERS

- 2.6.4 **Regulation 29 of New Constitution (*Article 29 of Existing Constitution*)**. Regulation 29 has been amended to expand on the categories of persons who may in certain circumstances be entitled to shares by transmission.
- 2.6.5 **Regulation 31 of New Constitution (*Article 31 of Existing Constitution*)**. Regulation 31 has been amended to provide that the production to the Company of any document which is by law sufficient evidence of probate of the will, or letters of administration of the estate, of a deceased person having been granted to some person shall be accepted by the Company as sufficient evidence of the grant.
- 2.6.6 **Regulation 40 of New Constitution (*Article 40 of Existing Constitution*)**. Regulation 40 has been amended to provide that references in the New Constitution to forfeiture will include surrenders of any shares which are liable to be forfeited.
- 2.6.7 **Regulation 47(3) of New Constitution (*New Regulation*)**. Regulation 47(3) is a new provision which provides for a Member's responsibility to deliver the certificates of shares to the Company in the event of a forfeiture or a sale of shares to satisfy the Company's lien.
- 2.6.8 **Regulations 50(1), 53, 54 of New Constitution (*New Regulation, Articles 53 and 54 of Existing Constitution*)**. Regulation 50(1), which relates to the Company's general power to increase its capital by way of the creation and issue of new shares, has been inserted to clarify that the Company has such a general power subject to Applicable Laws and the Listing Manual.

Regulations 53 and 54, which relates to the Company's power to alter its share capital, has been amended to subject Regulations 53 and 54 to Applicable Laws and the Listing Manual. Regulation 53(2) was amended to clarify that that the Company may authorise the Directors in General Meeting to purchase or otherwise acquire ordinary shares, stocks, preference shares, options, debentures, debenture stocks, bonds, obligations, securities, and all other equity, derivative, debt and financial instruments issued by it on such terms as the Company may think fit and in the manner prescribed by the Act, and that if so required by the Act, any share which is so purchased or acquired by the Company shall, unless held in treasury in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company and that on the cancellation of any share, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by the Company in such manner as may be permitted by, and in accordance with the Act (including without limitation, to hold such share as a treasury share).

- 2.6.9 **Regulation 59 of New Constitution (*Article 59 of Existing Constitution*)**. Regulation 59, which relates to the time-frame for holding annual General Meetings, has been revised to make it clear that an annual General Meeting shall be held within four months from the end of a financial year of the Company, but that this is save as otherwise permitted under the Act, Applicable Laws and the Listing Manual.
- 2.6.10 **Regulation 61(3) of New Constitution (*New Regulation*)**. Regulation 61(3) is a new provision which provides for how shorter notice can be given to Members for a General Meeting.

LETTER TO SHAREHOLDERS

2.6.11 **Regulation 74A of New Constitution (*New Regulation*)**. Regulation 74A has been inserted to provide for the General Meetings of the Company to be held entirely, or to any extent as determined by the Directors, by any virtual and/or electronic audio-visual means of communication. This provision will allow for flexibility by the Company in cases where holding a physical General Meeting is impracticable or impossible due to prevailing circumstances. Shareholders should note that the calling of virtual meetings and the manner in which such meetings are held will be subject to relevant laws, regulations and the rules of the stock exchange. When meetings are held virtually, it is only practicable for voting to be done through proxies. Against this background, it is therefore important that voting by Members shall also be allowed to be carried out electronically, and if circumstances dictates, that the Directors shall be entitled to require that all voting at the General Meeting be by way of proxies executed by the Members. Notwithstanding, a Member shall be entitled to exercise all rights under a General Meeting, and the Board shall be judicious in the use of such discretion. Allowing for General Meetings of the Company to be held partly or wholly by virtual means also has tangible benefits for Members, in that Members will be able to attend and participate in the General Meetings as long as they are able to connect to the internet, and do not need to travel to the meeting venue to be physically present. This will likely have the impact of encouraging participation from the Members and will allow the Members to engage more directly with the Company.

2.6.12 **Regulations 83 and 84(1) and 84(2) of New Constitution (*Articles 83 and 84 of Existing Constitution*)**. Regulation 84(1) and 84(2), which relates to the deposit of instruments appointing proxies, has new provisions to facilitate the submission of instruments appointing a proxy by electronic communication, in addition to new provisions for submitting such instruments personally or by post. In particular, it provides that the Directors can prescribe and determine the means through which instruments appointing a proxy may be submitted by electronic communications.

In addition, Regulation 83, which relates to the form of proxy, has been amended to insert new provisions to provide, *inter alia*, that an instrument appointing a proxy or representative shall be authorised by such method and in such manner as may be approved by the Directors, if the instrument is submitted by electronic communications, in lieu of the present requirement of signing, or where applicable, the affixation of the corporate Shareholder's common seal.

2.6.13 **Regulation 84(5) of New Constitution (*New Regulation*)**. Regulation 84(5) has been inserted to clarify that the accidental omission to include the form of proxy to, or the non-receipt of such form of proxy by any person entitled to receive a notice of meeting shall not invalidate any resolution passed or any proceeding at any such meeting.

2.6.14 **Regulation 85 of New Constitution (*Article 85 of Existing Regulation*)**. Regulation 85 has been amended to clarify the time frame of one hour before the time fixed for holding the meeting or adjourned meeting at which the proxy was used to receive notice of the proxy's previous death or mental disorder, failing which a vote by proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or transfer of the share in respect of which the vote is given.

2.6.15 **Regulation 109 of New Constitution (*Article 109 of Existing Constitution*)**. Regulation 109, which relates to the appointment of alternate Directors, has been amended to clarify the requirements in relation to alternate Directors:

- (i) in Regulation 109(1), to clarify that the appointment of an alternate Director is to be confirmed by a written nomination;
- (ii) in Regulation 109(2), to clarify that any alternate Director so appointed shall be entitled to contract and be interested in and benefit from contracts and arrangements or transactions and to be repaid expenses and to be indemnified to the same extent as if he were a Director but shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except such proportion (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct;

LETTER TO SHAREHOLDERS

- (iii) in Regulation 109(3), to clarify that for the purposes of the meetings of Directors, the provisions of the Constitution shall apply as if the alternate Director is a Director, and that if his appointor is for the time being absent from Singapore or temporarily unable to act through ill health or disability, the alternate Director's signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor in any meeting of Directors, or any meeting of any such committee of which his appointor is a member. Notwithstanding, save as aforesaid, an alternate Director shall not have power to act as a Director nor shall he be deemed to be a Director for the purposes of the Regulations;
 - (iv) in Regulation 109(8), to clarify that an alternate Director shall not be taken into account in reckoning the minimum or maximum number of Directors allowed for the time being under this Constitution but shall be counted for the purpose of reckoning whether a quorum is present at any meeting of the Directors attended by him at which he is entitled to vote; and
 - (v) in Regulation 109(9), to clarify that an alternate Director shall not be required to hold any share qualification.
- 2.6.16 **Regulations 110(5) and 110(6) of New Constitution (Article 110(4) of Existing Constitution and New Regulation).** Regulations 110(5) and 110(6) which provides for meetings of the Board of Directors by electronic means, has been amended to further clarify that Directors may use electronic communications to confirm their attendance and quorum at a meeting.
- 2.6.17 **Regulations 138(2), 138(3), 138(4), 138(5), 138(6) and 138(7) (New Regulations).** Regulation 138 which sets out, *inter alia*, the power of Directors in relation to a scrip dividend scheme, has been inserted to clarify, in Regulations 138(2) to 138(7), the ranking of shares in the event of the allotment of fully paid shares in lieu of dividends in cash as set out in Regulation 138(1), and the power of the Directors to give effect to any capitalisation, as well as the circumstances in which the Directors shall have the discretion to determine that the shares or rights of election shall not be made available to any Member, or to cancel a proposed application of a scrip dividend scheme to any dividend prior to any allotment of shares pursuant to Regulation 138(1).

 - (iv) the instrument of transfer is in respect of only one class of shares.
- Retention of transfer 25. (1) In the case of registered transfers, all instruments of transfer which are registered may be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in any case of fraud) be returned to the person depositing the same.

| Indemnity against wrongful transfer | (2) | <p>Neither the Company nor its Directors nor any of its Officers shall incur any liability for registering or acting upon a transfer of shares apparently made by sufficient parties, although the same may, by reason of any fraud or other cause not known to the Company or its Directors or other Officers, be legally inoperative or insufficient to pass the property in the shares proposed or professed to be transferred, and although the transfer may, as between the transferor and transferee, be liable to be set aside, and notwithstanding that the Company may have notice that such instrument of transfer was signed or executed and delivered by the transferor in blank as to the name of the transferee or the particulars of the shares transferred, or otherwise in defective manner. In every such case, the person registered as transferee, his executors, administrators and assigns, alone shall be entitled to be recognised as the holder of such shares and the previous holder shall, so far as the Company is concerned, be deemed to have transferred his whole title thereto.</p> |

- Transmission on death 28. (1) In the case of the death of a Member whose name is registered in the Register of Members, the survivor or survivors where the deceased was a joint holder, and the executors, trustees or administrators of the deceased, where he was a sole or only surviving holder, shall be the only person(s) recognised by the Company as having any title to his interest in the shares, but nothing herein shall release the estate of a deceased Member whose name is registered in the Register of Members (whether sole or joint) from any liability in respect of any share held by him.
- Transmission on death of Depositor (2) In the case of the death of a Member who is a Depositor, the survivor or survivors, where the deceased was a joint holder, and the executors, trustees or administrators of the deceased, where he was a sole holder and where such executors, trustees or administrators are entered in the Depository Register in respect of any shares of the deceased, shall be the only person(s) recognised by the Company as having any title to his interests in the share; but nothing herein contained shall release the estate of a deceased Member who is a Depositor (whether sole or joint) from any liability in respect of any share held by him.
- Person becoming entitled in certain circumstances may be registered 29. (1) Any of the following:
- (a) person(s) becoming entitled to the legal title in a share in consequence of the death or bankruptcy of any Member whose name is entered in the Register of Members or by virtue of a vesting order by a court of competent jurisdiction and recognised by the Company as having any title to that share;

- Requirements regarding notice of election to be registered may, upon producing such evidence of title as the Directors shall require, be registered himself as holder of the share upon giving to the Company notice in writing or transfer such share to some other person. If the person so becoming entitled shall elect to be registered himself, he shall send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of this Constitution relating to the right to transfer and the registration of transfers shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer executed by such Member. The Directors shall have, in respect of a transfer so executed, the same power of refusing registration as if the event upon which the transmission took place had not occurred, and the transfer were a transfer executed by the person from whom the title by transmission is derived.
- Notice to unregistered executors and trustees (2) The Directors may at any time give notice requiring any such person to elect whether to be registered himself as a Member in the Register of Members or, as the case may be, entered in the Depository Register in respect of the share or to transfer the share and if the notice is not complied with within 60 days the Directors may thereafter withhold payment of all dividends or other moneys payable in respect of the share until the requirements of the notice have been complied with.

APPENDIX B – PROPOSED NEW CONSTITUTION

Persons entitled to dividends on transmission without being registered as a member but may not exercise other rights 30. Save as otherwise provided by or in accordance with these Regulations, a person entitled to a share by transmission shall be entitled to receive, and may give a discharge for, any dividends or other moneys payable in respect of the share, but he shall not be entitled in respect of it to receive notices of, or to attend or vote at meetings of the Company, or save as aforesaid, to exercise any of the rights or privileges of a Member in respect of the share, unless and until he shall be registered as a Member in the Register of Members, or have his name entered in the Depository Register as a Depositor in respect of the share, as the case may be.

Fees for registration and evidence of probate etc. 31. There shall be paid to the Company in respect of the registration of any probate, letter of administration, certificate of marriage or death, power of attorney or other document relating to or affecting the title to any share, such fee not exceeding S\$2 (or such other sum as may be prescribed or approved by the Exchange from time to time) as the Directors may from time to time require or prescribe. The production to the Company of any document which is by law sufficient evidence of probate of the will, or letters of administration of the estate, of a deceased person having been granted to some person shall be accepted by the Company, notwithstanding anything in this Constitution, as sufficient evidence of the grant.

CALL ON SHARES

Calls on shares 32. The Directors may from time to time make calls as they think fit upon the Members in respect of any money unpaid on their shares and not by the terms and conditions of the issue thereof made payable at fixed times, and each Member shall (subject to receiving at least 14 days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. A call may be revoked or postponed as the Directors may determine.

Time when call deemed to have been made 33. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.

Interest on unpaid calls 34. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom sum is due shall pay interest on the sum due from the day appointed for payment thereof to the time of actual payment at such rate not exceeding ten per cent per annum as the Directors may determine, and shall also pay all costs, charges and expenses which the Company may have incurred or become liable for in order to receive payment of or in consequence of the non-payment of such call, but the Directors shall be at liberty to waive payment of such interest, costs, charges and expenses wholly or in part.

Sum due on allotment or other fixed date 35. Any sum which by the terms of issue and allotment of a share becomes payable upon allotment or at any fixed date shall for all purposes of this Constitution be deemed to be a call duly made and payable on the date on which, by the terms of issue, the same becomes payable, and in case of non-payment all other relevant provisions of Applicable Laws or this Constitution as to payment of interest, costs, charges and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

Power to differentiate 36. The Directors may, from time to time, on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment of such calls.

APPENDIX B – PROPOSED NEW CONSTITUTION

- Payment in advance of calls
37. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the shares held by him and such payments in advance of calls shall extinguish (so far as the same shall extend) the liability upon the shares in respect of which it is made, and upon the money so received or so much thereof as from time to time exceeds the amount of the calls then made upon the shares concerned, the Company may pay interest at such rate not exceeding without the sanction of the Company in General Meeting ten per cent per annum as the Member paying such sum and the Directors agreed upon. Capital paid on shares in advance of calls shall not whilst carrying interest confer a right to participate in profits and until appropriated towards satisfaction of any call shall be treated as a loan to the Company and not as part of its capital and shall be repayable at any time if the Directors so decide.

FORFEITURE AND LIEN

- Notice requiring payment of calls with interest and expenses
38. If any Member fails to pay the whole or any part of any call or instalment of a call on or before the day appointed for payment thereof, the Directors may at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on such Member or on the person entitled to the share by transmission requiring payment of so much of the call or instalment as is unpaid, together with any interest and expense which may have accrued by reason of such non-payment.
- Notice to state time and place of payment
39. The notice shall name a further day (not being less than 7 days from the date of service of the notice) on or before which and the place where such call or instalment, or such part as aforesaid, and all interest and expenses that have accrued by reason of such non-payment, is to be made, and shall state that, in the event of non-payment in accordance therewith the shares on which the call was made will be liable to be forfeited.
- Forfeiture of shares for non-compliance with notice
40. If the requirements of any such notice as aforesaid are not complied with any share in respect of which the notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before the forfeiture. The forfeiture or surrender of a share shall involve the extinction at the time of forfeiture or surrender of all interest in and all claims and demands against the Company in respect of the shares, and all other rights and liabilities incidental to the share as between the Member whose share is forfeited or surrendered and the Company, except only such of those rights and liabilities as are by this Constitution expressly saved, or as are by the Act given or imposed in the case of past Members. The Directors may accept a surrender of any share liable to be forfeited hereunder, or in any other case allowed by Applicable Laws and the Listing Manual. In such case, references in these Regulations to forfeiture shall include surrender.
- Notice of forfeiture to be given and entered in Register of Members
41. When any share has been forfeited in accordance with this Constitution, notice of the forfeiture shall forthwith be given to the holder of the share or to the person entitled to the share by transmission, as the case may be, and an entry of such notice having been given, and of the forfeiture with the date thereof, shall forthwith be made in the Register of Members or in the Depository Register, as the case may be, opposite to the share; but the provisions of this Regulation are directory only, and no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make such entry as aforesaid.
- Directors may allow forfeited share to be redeemed
42. Notwithstanding any such forfeiture as aforesaid, the Directors may, at any time before the forfeited share has been otherwise disposed of, annul the forfeiture, upon the terms of payment of all calls and interest due thereon and all expenses incurred in respect of the share and upon such further terms (if any) as they shall see fit.

APPENDIX B – PROPOSED NEW CONSTITUTION

- Sale of forfeited shares 43. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposition the forfeiture of surrender may be cancelled on such terms as the Directors think fit. To give effect to any such sale, the Directors may, if necessary, authorise some person to transfer a forfeited or surrendered share to any such person as aforesaid.
- Rights and liabilities of Members whose shares have been forfeited or surrendered 44. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of the shares, but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all moneys which at the date of forfeiture or surrender were payable by him to the Company in respect of the shares with interest thereon at ten per cent per annum (or such lower rate as the Directors may approve) from the date of the forfeiture or surrender until payment in respect of the shares, but such liability shall cease if and when the Company receives payment in full of all such money in respect of the shares and the Directors may waive payment of such interest either wholly or in part.
- Company's lien 45. The Company shall have a first and paramount lien and charge on every share (not being a fully paid share) in the name of each Member (whether solely or jointly with others) and on the dividends from time to time declared or payable in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such calls and instalments are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Regulation.
- (Note: In compliance with section 3(a) of Appendix 4C of Section B of the Listing Manual of the SGX-ST)*
- Member not entitled to privileges until all calls paid 46. No Member shall be entitled to receive any dividend or to exercise any privileges as a Member until he shall have paid all calls for the time being due and payable on every share held by him, whether in his own name or in a Securities Account, whether solely or jointly with any other person, together with interest and expenses (if any).
- Sale of shares subject to lien 47. (1) For the purpose of enforcing such lien, the Directors may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of seven days after notice in writing stating and demanding payment of the sum payable and giving notice of intention to sell in default, shall have been given to the Member for the time being in relation to the share or the person entitled thereto by reason of his death or bankruptcy, provided always that if a Member shall have died or become mentally disordered or incapable of managing himself or his affairs or bankrupt and no person shall have given to the Company satisfactory proof of his right to effect a transmission of the shares held by such Member, the Directors may exercise such power of sale without serving any such notice.
- (2) To give effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser thereof.
- (3) In the event of a forfeiture of share or sale of shares to satisfy the Company's lien thereon, the Member or other person who prior to such forfeiture or sale was entitled thereto shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the share so forfeited or sold.

APPENDIX B – PROPOSED NEW CONSTITUTION

- Application of proceeds of such sale
48. The net proceeds of sale, whether of a share forfeited by the Company or of a share over which the Company has a lien, after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the unpaid call and accrued interest and expenses and the residue (if any) paid to the Member entitled to the share at the time of sale or his executors, administrators or assigns as he may direct.
- (Note: In compliance with section 3(b) of Appendix 4C of Section B of the Listing Manual of the SGX-ST)*
- Title to shares forfeited or surrendered or sold to satisfy a lien
49. A statutory declaration in writing by a Director of the Company that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts stated therein as against all persons claiming to be entitled to the share, and such declaration and the receipt of the Company for the consideration (if any) given for the share on the sale, re-allotment or disposal thereof, together with the certificate under Seal (or signed by the authorised persons in the manner set out under the Act as an alternative to sealing) for the share delivered to a purchaser or allottee thereof, shall (subject to the execution of a transfer if the same be required) constitute a good title to the share and the person to whom the share is sold, re-allotted or disposed of shall be entered in the Register of Members as the holder of the share or, as the case may be, in the Depository Register in respect of the share and shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the forfeiture, surrender, sale, re-allotment or disposal of the share.

ALTERATIONS OF CAPITAL

- Power to increase capital
50. (1) The Company may from time to time by Ordinary Resolution increase its capital by such sum to be divided into shares of such amounts as the resolution shall prescribe, or as otherwise permitted and/or required under Applicable Laws and the Listing Manual, whether all the shares for the time being authorised shall have been issued or all the shares for the time being issued have been fully paid up or not, increase its capital by the creation and issue of new shares, such aggregate increase to be of such amount and to be divided into shares of such respective amounts as the Company by the resolution authorising such increase shall direct and if no direction be given as the Directors shall determine.
- Rights and privileges of new shares
- (2) Subject to any special rights for the time being attached to any existing class of shares, the new shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto as the General Meeting resolving upon the creation thereof shall direct and if no direction be given as the Directors shall determine; subject to the provisions of this Constitution and the Listing Manual, and in particular (but without prejudice to the generality of the foregoing) such shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company or otherwise.

- (Note: In compliance with section 1(e) of Appendix 4C of Section B of the Listing Manual of the SGX-ST)*
51. (1) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted by Applicable Laws and the Listing Manual, all new shares shall before issue be offered to the Members in proportion, as nearly as the circumstances admit, to the number of the existing shares to which they are entitled or hold. The offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this Regulation.
- (2) Notwithstanding Regulation 51(1) above but subject to Applicable Laws and the Listing Manual, the Directors shall not be required to offer any new shares to members to whom by reason of foreign securities laws such offers may not be made without registration of the shares or a prospectus or other document, but may, at their absolute discretion and on such terms and conditions as the Directors deem fit, sell the entitlements to the new shares on behalf of such Members in such manner as they think most beneficial to the Company.
- New shares otherwise subject to Applicable Laws, the Listing Manual and this Constitution
52. Except so far as otherwise provided by the conditions of issue or by this Constitution, any capital raised by the creation of new shares shall be considered part of the original ordinary capital of the Company and shall be subject to Applicable Laws, the Listing Manual and this Constitution with reference to allotments, payment of calls, lien, transfer, transmission, forfeiture and otherwise as if it had been part of the original capital.
- Power to consolidate, re-dominate, cancel and sub-divide shares
53. (1) Subject to and in accordance with Applicable Laws and the Listing Manual, the Company may from time to time by Ordinary Resolution:
- (i) consolidate and/or divide all or any of its share capital into shares of larger or smaller amount than its existing shares;
 - (ii) subdivide its shares or any of them (subject, nevertheless, to the provisions of the Act), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived;
 - (iii) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person or which have been forfeited and diminish its share capital in accordance with the Act; and
 - (iv) subject to the provisions of this Constitution, Applicable Laws and the Listing Manual, convert its share capital or any class of shares from one currency to another currency.

If required by Act, any shares so purchased or acquired by the Company shall, unless held by the Company as treasury shares in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold and/or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with, the Act (including without limitation, to hold such share as a treasury share).

STOCK

- Power to convert into stock 55. The Company may by Ordinary Resolution convert any or all its paid up shares into stock and may from time to time by resolution reconvert any stock into paid up shares of any denomination.
- Transfer of stock 56. The holders of stock may transfer the same or any part thereof in such manner as the Company in General Meeting shall direct, but in the absence of such direction, the respective interests may be transferred in the same manner and subject to this Constitution as and subject to which the shares from which the stock arose might previous to conversion have been transferred or as near thereto as circumstances admit but no stock shall be transferable except in such units as the Directors may from time to time determine.
- Rights of stockholders 57. The holders of stock shall, according to the number of stock units held by them, have the same rights, privileges and advantages as regards dividend, return of capital, voting and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except as regards dividend and return of capital and the assets on winding up) shall be conferred by any such number of stock units which would not if existing in shares have conferred that privilege or advantage, and no such conversion shall affect or prejudice any preference or other special privileges attached to the shares so converted.

APPENDIX B – PROPOSED NEW CONSTITUTION

- Interpretation 58. All provisions of this Constitution applicable to paid up shares shall apply to stock and the words "share" and "shareholder" or similar expression herein shall include "stock" or "stockholder".

In addition, for the purpose of determining the quorum, joint holders of any share shall be treated as one Member.

- Adjournment 68. The Chairman of the Meeting may, with the consent of any Meeting at which a quorum is present (and shall if so directed by the Meeting), adjourn the Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting except business which might lawfully have been transacted at the Meeting from which the adjournment took place. When a meeting is adjourned for 14 days or more, at least three days' notice of the place and hour of such adjourned Meeting shall be given as in the case of the original Meeting, Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned Meeting.

Subject to the foregoing and Regulation 73, at any General Meeting a resolution put to the vote of the Meeting shall be decided on a show of hands unless a poll is demanded before or on the declaration of the result of the show of hands by:-

A demand for a poll pursuant to this regulation may be withdrawn.
Taking a poll	70.	If a poll is required by the listing rules of the Exchange (as so modified, amended or supplemented from time to time) or duly demanded (and the demand is not withdrawn), it shall be taken in such manner (including the use of ballot, voting papers or tickets) as the Chairman may direct and the result of a poll shall be deemed to be the resolution of the Meeting. The Chairman may or shall (if so requested or required by the listing rules of the Exchange and any stock exchange upon which the shares of the Company may be listed for the time being in force, or if so directed by the meeting) appoint at least one scrutineer for the Meeting at which the poll is taken and the appointed scrutineer shall be independent from the persons undertaking the poll process and shall exercise such duties as required under the Listing Manual and any stock exchange upon which the shares of the Company may be listed for the time being in force. Where the appointed scrutineer is interested in the resolution to be passed at the Meeting, it shall refrain from acting in such capacity. The Chairman, if the poll is duly demanded (and the demand is not withdrawn), may adjourn the Meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
Votes counted in error	71.	If any votes are counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it is pointed out at the same Meeting or at any adjournment thereof and unless in the opinion of the chairman at the Meeting or at any adjournment thereof, as the case may be, it shall be of sufficient importance to vitiate the result of the voting.
Chairman's casting vote	72.	Subject to the Act and the requirements of the Exchange, in the case of equality of votes, whether on a show of hands or on a poll, the Chairman of the Meeting shall be entitled to a second or casting vote in addition to the votes to which he may be entitled as a Member or as proxy of a Member.

No notice needs to be given of a poll not taken immediately. The demand for a poll shall not prevent the continuance of a Meeting for the transaction of any business, other than the question on which the poll has been demanded. In case of any dispute as to the admission or rejection of a vote, the Chairman shall determine the same and such determination made in good faith shall be final and conclusive.
Poll by electronic means	74.	A poll may be taken by electronic means or any other manner as the Chairman may direct.

Participation in a General Meeting in the manner set out in this regulation shall constitute presence in person of such Member at such General Meeting, shall count towards the quorum, and a Member shall be entitled to exercise all rights under a General Meeting. The Directors shall be entitled to require that all voting at the General Meeting be by way of proxies executed by the Members giving instructions to the Chairman of the General Meeting on the manner in which the resolutions shall be voted. The Directors shall also be entitled to regulate the manner in which such General Meetings are to be held, including but not limited to procedures on identification of the Member and requiring prior registration of the Member prior to the General Meeting. The other Regulations governing General Meetings shall apply *mutatis mutandis* to any General Meeting convened in the manner set out in this Regulation.
- Voting rights of members 75. (1) Subject and without prejudice to any special privileges or restrictions as to voting for the time being attached to any special class of shares for the time being forming part of the capital of the Company and to Regulation 9, each Member entitled to vote may vote in person or by proxy or attorney, and (in the case of a corporation or a limited liability partnership) by a representative.

- (i) On a poll, have one vote for every share which he holds or represents; and
- (ii) On a show of hands, have one vote, provided that:
- (a) in the case of a Member who is not a relevant intermediary and who is represented by two proxies, only one of the two proxies as determined by that Member shall vote on a show of hands and in the absence of such determination, only one of the two proxies as determined by the Chairman (or by a person authorised by him) shall be entitled to vote on a show of hands; and

For the purpose of determining the number of votes which a Depositor or his proxy may cast on a poll, the Depositor or his proxy shall be deemed to hold or represent that number of shares entered in the Depositor's Securities Account at the cut-off time as certified by the Depository to the Company, or where a Depositor has apportioned the balance standing to his Securities Account as at the cut-off time between two proxies, to apportion the said number of shares between such proxies in the same proportion as specified by the Depositor in appointing the proxies; and accordingly no instrument appointing a proxy of a Depositor shall be rendered invalid merely by reason of any discrepancy between the number of shares standing to the credit of that Depositor's Securities Account as at the cut-off time, and the true balance standing to the Securities Account of a Depositor as at the time of the relevant General Meeting, if the instrument is dealt with in such manner as aforesaid.
- Voting in respect of shares of different monetary denominations
- (4) Where the capital of the Company consists of shares of different monetary denominations, voting rights may, at the discretion of the Board, be prescribed in such manner that a unit of capital in each class, when reduced to a common denominator, shall carry the same voting power when such right is exercisable.
- Voting rights of joint holders
76. Where there are joint holders of any share any one of such persons may vote and be reckoned in a quorum at any Meeting either personally or by proxy or by attorney or in the case of a corporation or a limited liability partnership by a representative as if he were solely entitled thereto but if more than one of such joint holders is so present at any meeting then the person present whose name stands first in the Register of Members or the Depository Register, as the case may be, in respect of such share shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.
- (Note: In compliance with section 8(b) of Appendix 4C of Section B of the Listing Manual of the SGX-ST)*
- Voting rights of Members who are mentally disordered
77. If a Member is mentally disordered and incapable of managing himself or his affairs, he may vote whether on a show of hands or on a poll by his committee, curator bonis or such other person as properly has the management of his estate and any such committee, curator bonis or other person may vote either personally or by proxy or attorney, provided that such evidence as the Directors may require of the authority of the person claiming to vote shall have been deposited at the Office not less than 72 hours before the time appointed for holding the Meeting.
- Right to vote
78. Subject to the provisions of this Constitution or in the Act, no Member shall be entitled to vote at any General Meeting in respect of any share or shares, either personally or by proxy, attorney or representative, unless all calls or other sums presently payable by him in respect of shares held by him in the Company, whether in his own name or in a Securities Account, and whether alone or jointly with any other person, have been paid. To the extent permitted by the Act and Applicable Laws, where a Member is required by the listing rules of the Exchange or a court order to abstain from voting on a resolution at a General Meeting, such Member shall not be entitled to vote on the relevant resolution and shall be required to abstain from voting his shares (including by proxy or by attorney) in respect of such resolution, and if the Member casts any votes in contravention of this Regulation, or if the listing rules of the Exchange require the Company to do so, the Company shall be entitled to disregard such votes.
- (Note: In compliance with section 8(a) of Appendix 4C of Section B of the Listing Manual of the SGX-ST)*
- Objections
79. No objection shall be raised to the qualification of any voter except at the Meeting or adjourned Meeting at which the vote objected to is given or tendered and every vote not disallowed at such Meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the Meeting whose decision shall be final and conclusive.

APPENDIX B – PROPOSED NEW CONSTITUTION

 - (ii) a Member who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member. - Shares entered into Depository Register (2) If the Member is a Depositor, the Company shall be entitled:
- (i) to reject any instrument of proxy lodged if the Depositor is not shown to have any shares entered in its Securities Account as at the cut-off time as certified by the Depository to the Company; and
 - (ii) to accept as the maximum number of votes which in aggregate the proxy or proxies appointed by that Depositor is or are able to cast on a poll a number of votes which corresponds to or is less than the aggregate number of shares entered in its Securities Account of that Depositor as at the cut-off time as certified by the Depository to the Company, whether that number is greater or smaller than the number specified in any instrument of proxy executed by or on behalf of that Depositor.

APPENDIX B – PROPOSED NEW CONSTITUTION

- (6) Neither the Company nor its Directors nor any of its officers shall incur any liability for accepting or acting upon an instrument of proxy deposited by or on behalf of a Depository Agent appointing a Sub-Account Holder as proxy, although the same may, by reason of any fraud or other cause not known to the Company or its Directors or other officers, be wrongful or invalid or otherwise liable to be set aside, and in every such case, a vote given in accordance with the terms of the instrument of proxy shall be valid notwithstanding any fraud, invalidity or otherwise, provided that no intimation in writing of such fraud, invalidity or otherwise shall have been received by the Company at the Office (or such other place as may be specified for the deposit of instruments appointing proxies) before the commencement of the Meeting or adjourned Meeting at which the proxy is used.
- Proxy need not be a member 82. A proxy or attorney need not be a Member, and shall be entitled to vote on any matter at any General Meeting, whether by show of hands or otherwise.
